

The Crystal Challenge Trophy

Some trophies are so unique, we wonder how they came to be. The Crystal Challenge. This is how it came to be - Elizabeth Craig, a member, accomplished curler and dedicated Club volunteer, needed a new trophy for one of her Ladies Spiel Events. Liz turned to one of her brothers to ask for sponsorship and support. Arden said he would support his sister, so Elizabeth described what she wanted her trophy to look like and Arden created it. This also explains how the Crystal Challenge Trophy came to be sponsored by P.A. Blackburn Ltd, Ontario Land Surveyors in 2001. Thanks to Elizabeth Craig (nee Blackburn) and her brother P. Arden Blackburn, the Crystal Challenge Trophy was presented for the next twenty years.
